

WEBSITE TECHNOLOGY

5/23/2022

NEW WEBSITE IS UP AND RUNNING!!!

We have completed the transition from our old host platform to the Wix Website Builder platform. The main advantages of Wix are:

1. Ease of Use
2. Multiple Designer Capable
3. Amazing Graphics
4. Modern Page Designs

In the coming weeks, the Website Technology Committee will host a training session to acquaint members interested in updating the www.kccog.org website.

Although this may seem challenging, it is doable by the vast majority of members with the technical training.

GOD'S BLESSINGS

Several hurdles were encountered during the transition of the Web Site. God's Blessing and Interventions were seen in the process.

Praise The Lord!

Our prayer is that the Web Site will be used as a tool not only to keep members informed, but to reach those that God is calling with His Way, Truth, and Life.
