

### Personal Evangelism

#### **Arlo Scores Big!**

Arlo has been distributing Godly literature for many years. He has personally connected with thousands of possible future children of God. Through his communication and unwavering ability to provide people his own written and produced tracts, two new families have attended the Church of God, Kansas City!

### Social Media

#### **Facebook**

The Church of God Kansas City's Facebook page is continuing to attract both regular followers and interested new viewers. The page has a wide variety of Biblical topics so that it "feeds" God's Word to a wide variety audience.

#### **Morning Companion Blog**

Lenny not only has his Blog site, he has successfully integrated into the Church's Facebook page. He covers a wide variety of topics to inspire and encourage readers.

### Our Website

#### **Communication**

The Church of God Kansas City's Website is primarily used to communicate to our members and those seeking God's Truth. However, its presence on various search engines leads new attendees to our services. Recently, a single man moving into the area found us there and is now attending!

### Outreach

#### **Video Media**

Brian has continued to create videos for the Prophetic Insights YouTube channel, Tik Tok, the Prophetic Insights Facebook page and Website.
