## NEW WEBSITE ADDING TO IT WEEKLY!!!

Greg has successfully created a youtube page for his current video efforts. They include videotaping of:

1. Sermons / Bible Studies
2. Special Music
3. Interviews
4. Plus Much More!

We are adding new pages to the Website monthly. That includes a new exclusive page for the Women's Retreat.

Inputs for additions and changes are pouring in. We have created several new .pdf files proving a wide range of information.

Also, pictures are being provided for the various "blank" picture spots among the pages.

## GOD'S BLESSINGS

Praise The Lord!

Our prayer is that the Web Site will be used as a tool not only to keep members informed, but to reach those that God is calling with His Way, Truth, and Life.
