Arlo Planting Seeds!

Recently, Arlo G. was led by the Holy Spirit to the KC Zoo. At first he didn't know why? He did his usual random handing out of some of his world-famous cards. Along came a family searching him out. A discussion ensued, and they were from Ohio looking for a Sabbath Fellowship. Arlo followed up with some more literature the next day and a seed has sprouted!

Greg Aids The Homeless

A few months back, Greg came in contact with a homeless man, helped him secure Social Security benefits, which put a roof over his head. Greg shared God's love and the man has turned to God's Way of Life!
